

Mobile Computer TCS TS-55

Widely used as Data Collector in commercial area, health care, e-government system, bank system, inventory management, etc.

TCS TS-55 Specification

Screen	5.5" IPS display, Resolution(720*1440 High Definition), Sensitive capacitive touch screen, compatible with gloves and supports wet resistance
CPU/Memory	CPU: Qualcomm 1.8GHz Octa Core Memory: 2GB RAM (4GB optional) / Storage: 16GB ROM (64GB optional) Expansion memory: Micro SD (TF) up to 128GB
Scan Engine	1D barcode: Codabar, Code11, Code39, Code32, Interleaved 2 of 5, Industrial 2 of 5, Matrix 2 of 5, Code93, Code128, GS1-128, UPC-A, UPC-E, EAN 8, EAN 13, GS1 Data Bar (RSS14), GS1 Data Bar Limited, GS1 Data Bar Expanded, etc. 2D barcode: PDF417, Micro PDF417, QR Code, Micro QR, Data Matrix, Aztec Code.
Camera	16 million pixels rear camera with auto focus function and LED flash
OS/Battery	Android 9.0 / Battery Capacity: 3.8V, 4600mAh, support disassembly, Runtime 14 hours
In/Out Ports	USB2.0 Type-C, support OTG
Communication	Dual-band WLAN, 4G, Bluetooth, WWAN, GNSS
Environment	Operating Temperature: -10°C - 50°C, Storage temperature:-40°C - 70°C, 1.5m drop-resistant housing
Dimension/Weight	170 (H) x79 (W) x17.6 (D) mm / Net Weight: 280g
Other Option	NFC (13.56MHz), PSAM Function slot x 4
